

The Forest Recreation Ground

Play

These are some of our ideas:

1. **Gregory Boulevard play area**
 - Replace the Gregory Boulevard play area with a skate park.
2. **Pavilion play area**
 - Improve the Pavilion play area by making it bigger and making the most of the slopes to create an exciting woodland playground.
3. **BMX track**
 - Improve or remove the BMX track?

Play

We would like more children and young people to use the Park. To encourage this we would like to provide more facilities for them.
